A Explore User Personas

ON THE SITE TODAY

One group at a time. Kept as it is.

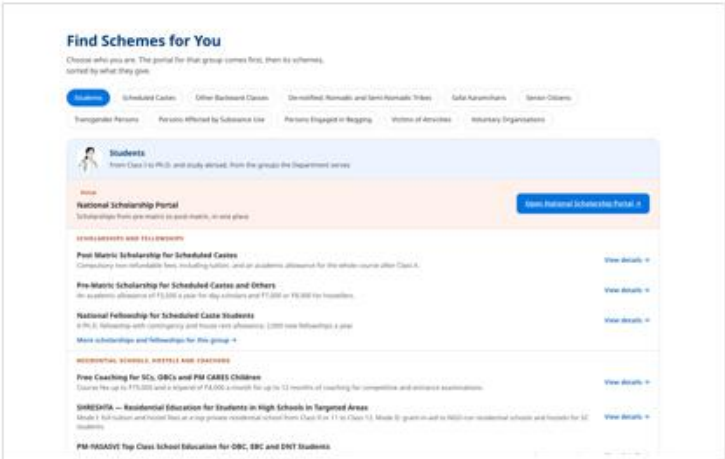

B Two Questions

OPTION B

Who you are, then what you need. Ends with the schemes and a link to see them all.

C One Tap

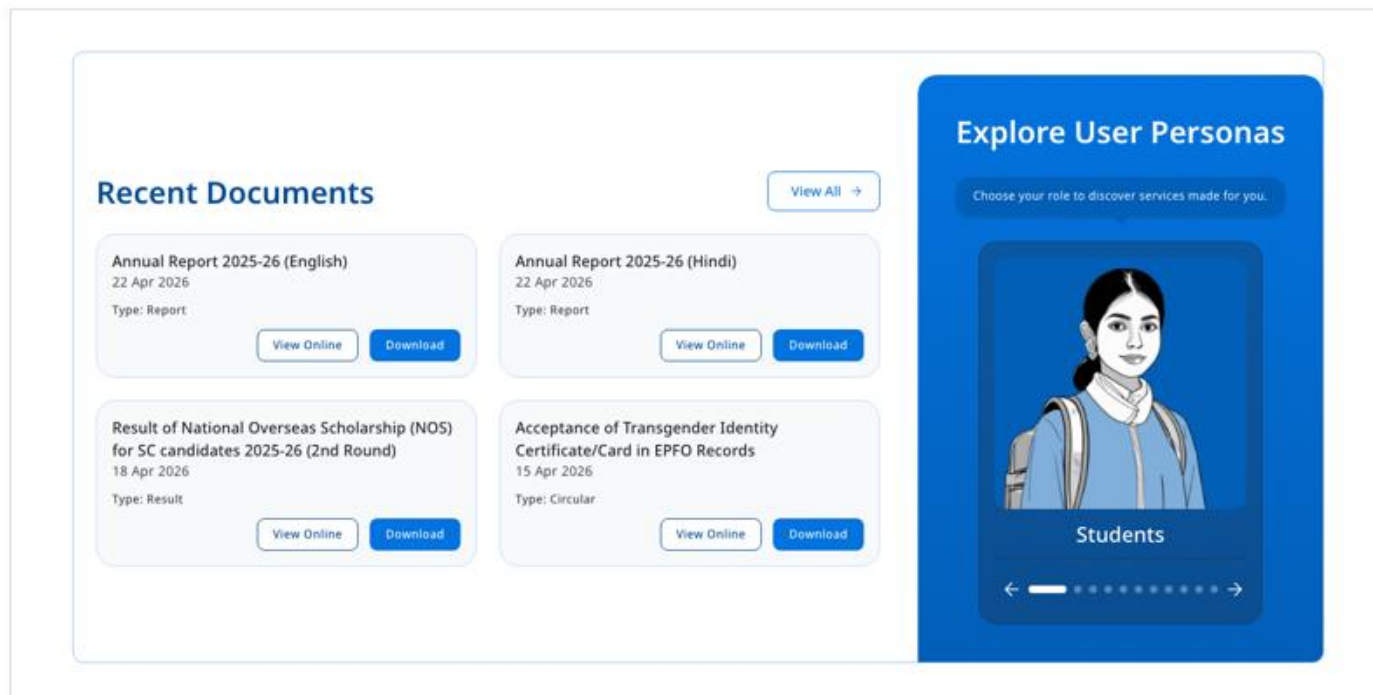

OPTION C

Pick your group. First the portal for that group, then its schemes.

Explore User Personas

ON THE SITE TODAY

The panel as it is on the site today.

WHAT IT IS

The panel already on the home page. It shows one group at a time, and you move between them with the arrows.

HOW IT WORKS

- Tap the arrows to move between the groups
- Tap a group to open the Schemes page for that group

WHY IT HELPS

- Already on the site, so nothing new to build
- The pictures work in any language

A scheme naming your group as its target group is not a decision on your application — the sanctioning authority decides that.

□ Recorded: Scheduled Castes, then Scholarships. Then Senior Citizens with the second question skipped.

WHAT IT IS

Two short questions on the home page: who you are, and what kind of support you need.

HOW IT WORKS

- Question 2 can be skipped, which shows everything for the group
- The answer shows the first three schemes, each with a link to its own page
- One more link opens the Schemes page, already filtered to the same two answers

WHY IT HELPS

- Both questions change what you see; nothing is asked for its own sake
- A visitor gets an answer without leaving the home page
