2	Summary KPI cards — stat value colors UTH-DASH-002 COLOR & TOKEN	4-up KPI row: only 'Schemes as per 10A' value uses Primary #003366; other three ('Total Ministry', 'Mapped Schemes', 'Pending Schemes') use dark #374151. Inner 7-card grid: all values use #374151.	All KPI values and all inner stat values render in blue ~#1E3A5F — the two-tone hierarchy (dark vs primary) is lost.	KPI cards 1/3/4 + all inner stat grid values → #374151 dark. Only the 'Schemes as per 10A' KPI card value → #003366 primary.
