ON THE SITE TODAY

One group at a time. Kept as it is.

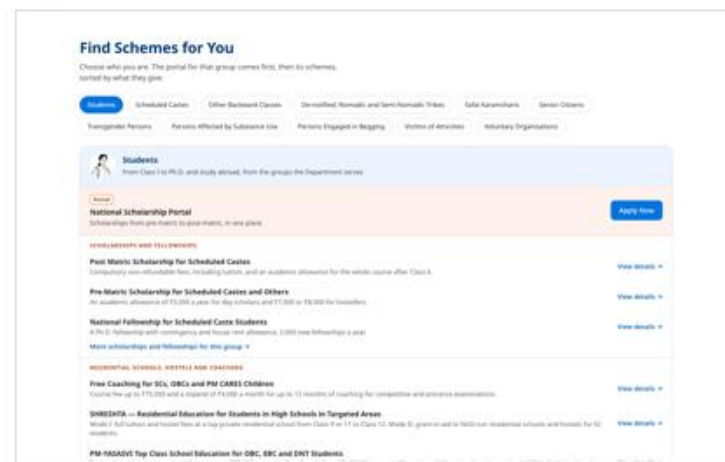

B Two Questions

OPTION B

Who you are, then what you need. Ends with the schemes and a link to see them all.

C One Tap

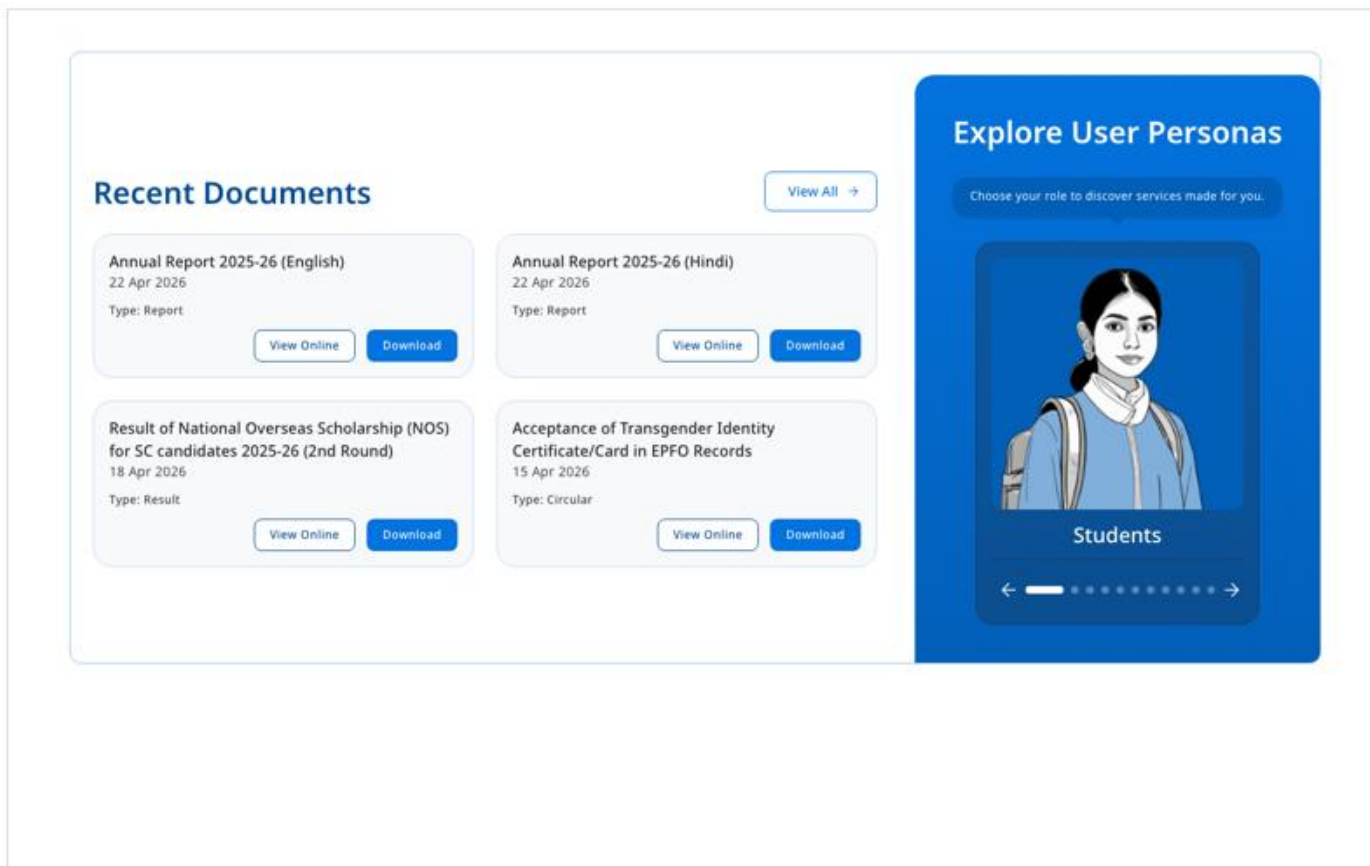

OPTION C

Pick your group. First the portal for that group, then its schemes.

The Home Page · Option A of 3

ON THE SITE TODAY

The panel as it is on the site today.

WHAT IT IS

The panel already on the home page. It shows one group at a time, and you move between them with the arrows.

HOW IT WORKS

- Tap the arrows to move between the groups
- Tap a group to open the Schemes page for that group

WHY IT HELPS

- The smallest change: only the link behind each picture is new
- The pictures work in any language

A scheme that names your group does not mean your application is approved. The sanctioning authority decides that.

□ Recorded: Scheduled Castes, then Scholarships. Then Senior Citizens with the second question skipped.

WHAT IT IS

Two short questions on the home page: who you are, and what kind of support you need.

HOW IT WORKS

- Question 2 can be skipped, which shows everything for the group
- The answer shows three schemes, each with a link to its own page
- One more link opens the Schemes page, already filtered to the same two answers

WHY IT HELPS

- Both questions change what you see; nothing is asked for its own sake
- A visitor gets an answer without leaving the home page

A scheme naming a group is not a decision on any application — the sanctioning authority decides that.

WHAT IT IS

A row of the groups. Pick yours and the schemes appear. No questions asked.

HOW IT WORKS

- The first band is the portal or helpline the Department runs for that group
- Below it, the schemes for the group, sorted by what they give
- Each scheme links to its page, and one link opens the full list

WHY IT HELPS

- One tap and nothing to answer
- The portal a group already uses comes first

□ Recorded: Scheduled Castes, Senior Citizens, Transgender Persons, Voluntary Organisations. One tap each.

Three Options

A Rename Only

B Portals under Offerings

C Schemes as Its Own Menu

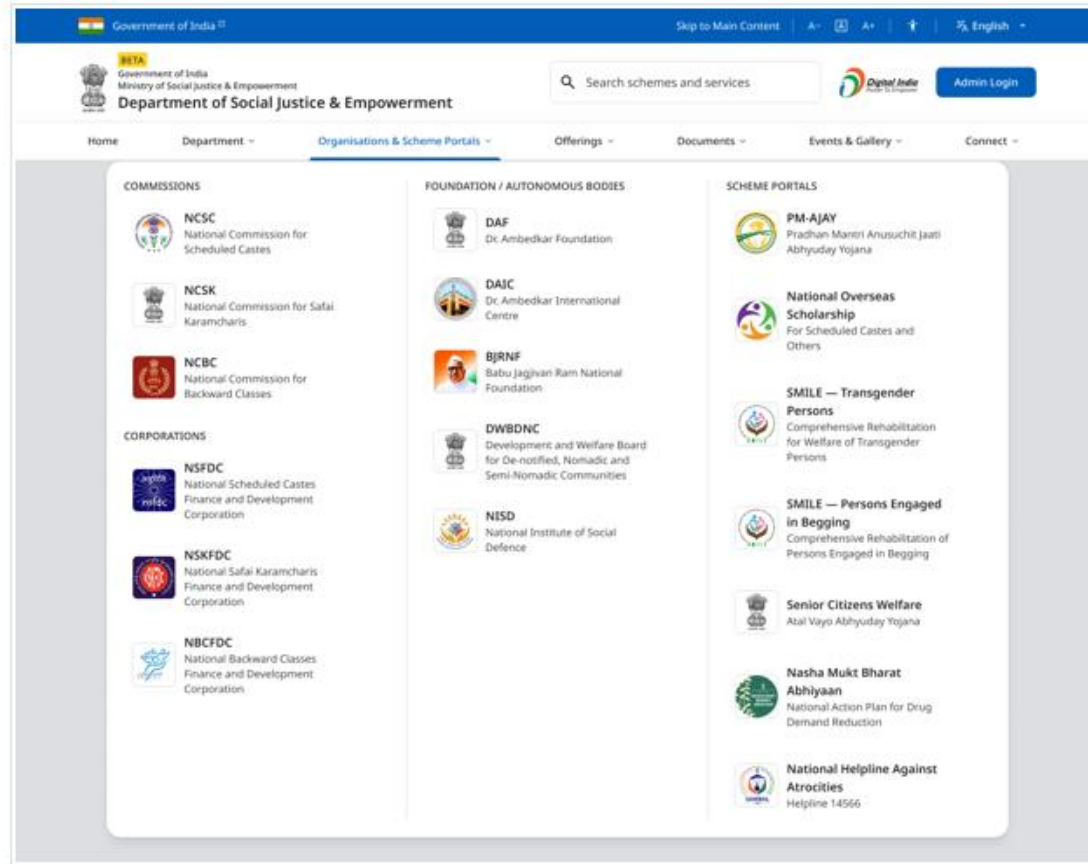

All three list the same seven portals and open the same pages.

RENAME ONLY

The Menu · Option A of 3

TO BE BUILT

Drawn in Figma, 14 September. The menu open.

WHAT IT IS

The menu keeps everything it lists today. Only its name changes, so it says that scheme portals are inside.

HOW IT WORKS

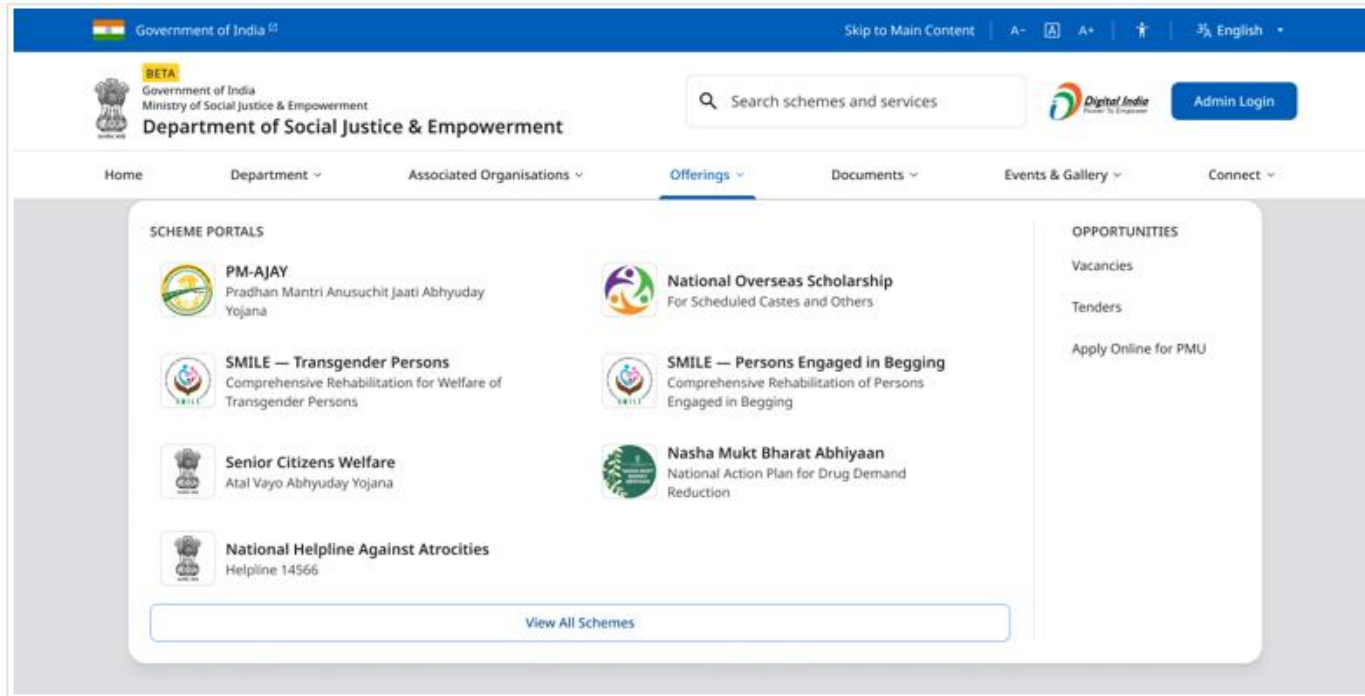

- Associated Organisations becomes Organisations & Scheme Portals
- Commissions, Corporations and Foundations stay; the portals get a column of their own
- The Schemes page filter uses the same name

WHY IT HELPS

- The smallest change to the menu
- A returning visitor finds everything where it was

The Menu · Option B of 3

TO BE BUILT

Drawn in Figma, 14 September. Offerings open.

WHAT IT IS

The seven portals move out of Associated Organisations and into Offerings, beside Vacancies and Tenders.

HOW IT WORKS

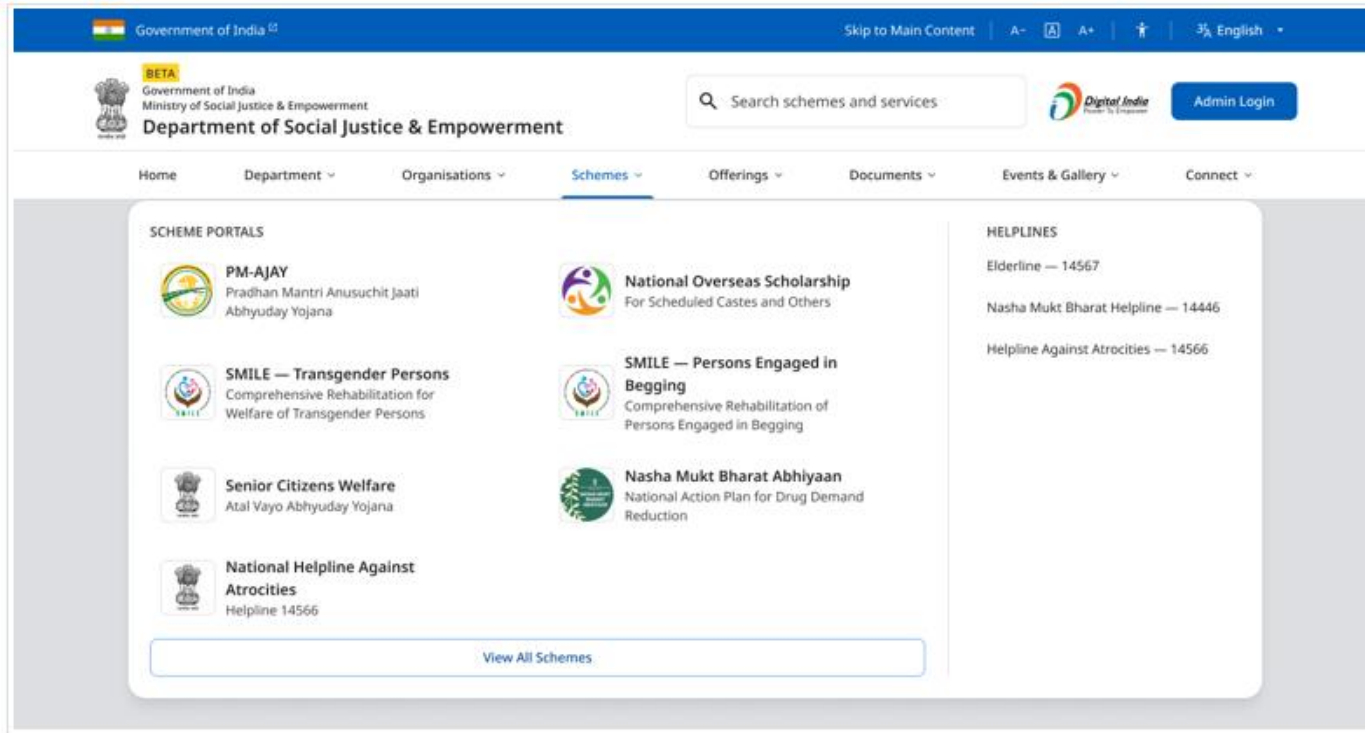

- Each portal is listed with the scheme it serves
- A full-width button under the portals opens the list of all schemes
- Associated Organisations keeps only the organisations

WHY IT HELPS

- The top row of the menu does not change
- Organisations and portals are no longer mixed

The Menu · Option C of 3

TO BE BUILT

Drawn in Figma, 14 September. Schemes open.

WHAT IT IS

A new Schemes entry in the top row holds the seven portals and the Department's helplines.

HOW IT WORKS

- Schemes sits between Organisations and Offerings
- Associated Organisations is shortened to Organisations to make room
- A button under the portals opens the list of all schemes

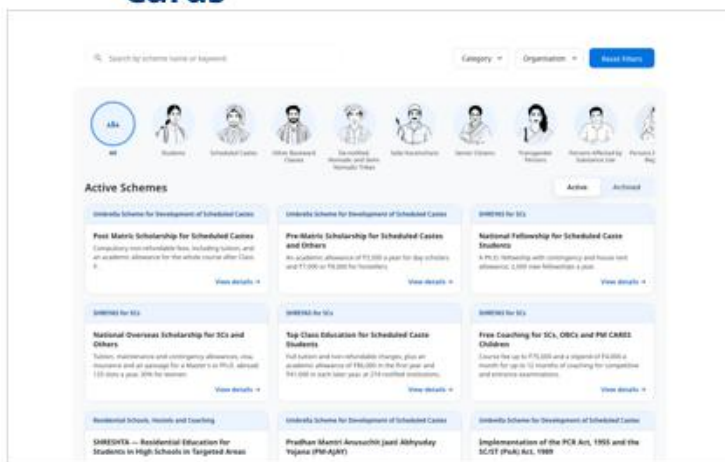

WHY IT HELPS

- The word Schemes can be seen without opening anything
- Helplines are listed beside the portals they support

Three Options

Where a person lands from the home page, and where officers and voluntary organisations work.

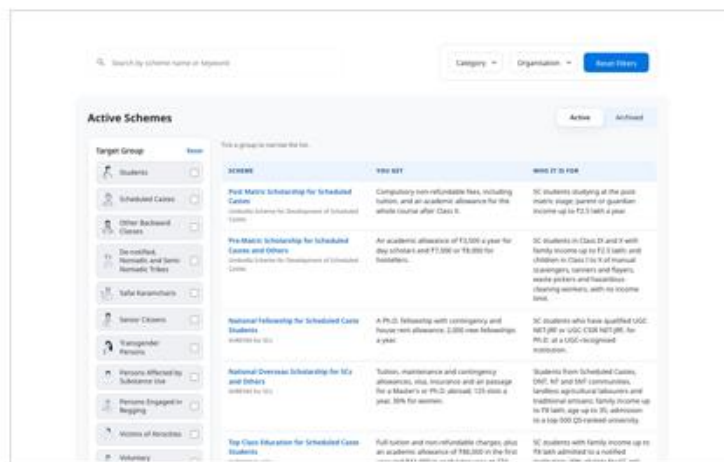

A Pictures of the Groups, with Cards

OPTION A

A picture for every group in one row, then cards. For browsing.

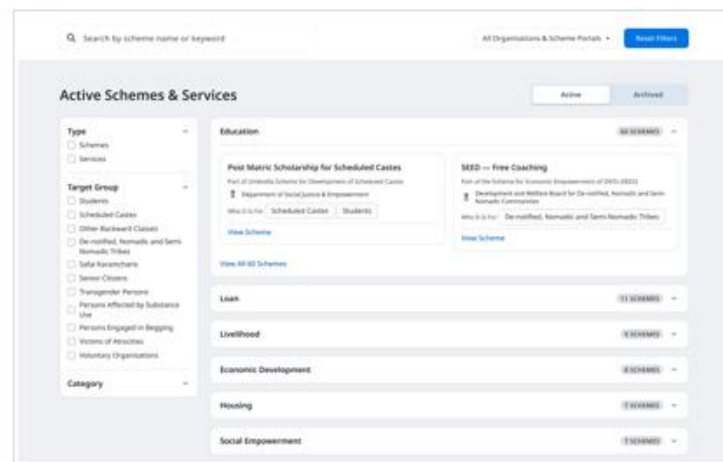

B Filter Panel with a Table

OPTION B

Tick one or more groups on the left; the table says who each scheme is for. For comparing.

C Filter Panel with Headings

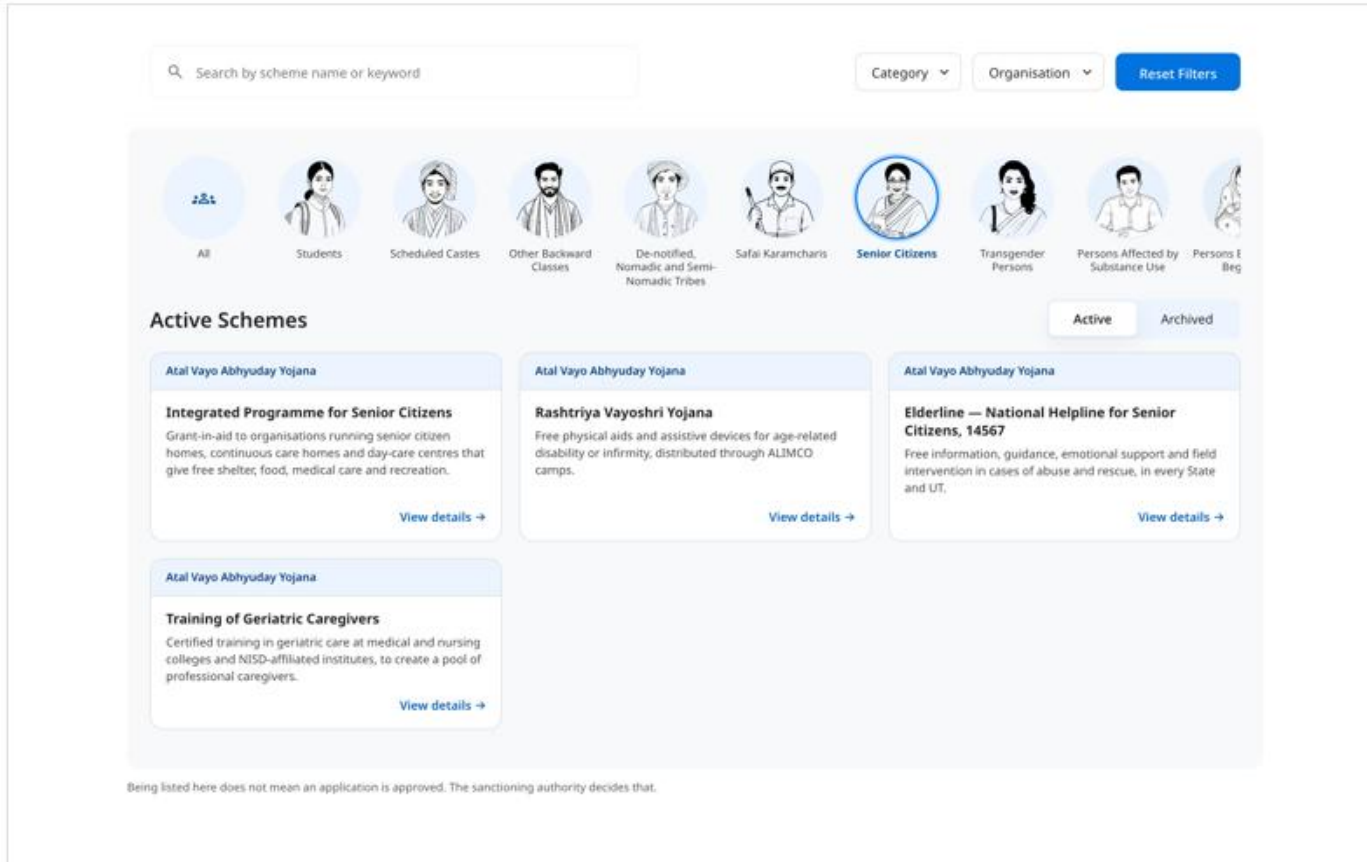

OPTION C

Filters on the left; schemes grouped under the kind of support they give.

The Schemes Page · Option A of 3

TO BE BUILT

□ Recorded: Safai Karamcharis, Transgender Persons, then Senior Citizens.

WHAT IT IS

Every group as a picture in one row. Pick one and its schemes appear as cards.

HOW IT WORKS

- Pick a group from the row; it scrolls sideways
- Category and Organisation narrow the list further
- Cards show what a scheme gives; nine to a page

WHY IT HELPS

- A picture for every group, so you spot yours at a glance
- The same groups as the home page, so the same idea is met twice

The Schemes Page · Option C of 3

TO BE BUILT

The mockup shows a web interface for 'Active Schemes & Services'. At the top, there is a search bar with the placeholder text 'Search by scheme name or keyword' and a dropdown menu for 'All Organisations & Scheme Portals' with a 'Reset Filters' button. The main content area is titled 'Active Schemes & Services' and has two tabs: 'Active' and 'Archived'. On the left, there is a filter panel with three sections: 'Type' (Schemes, Services), 'Target Group' (Students, Scheduled Castes, Other Backward Classes, De-notified, Nomadic and Semi-Nomadic Tribes, Safai Karamcharis, Senior Citizens, Transgender Persons, Persons Affected by Substance Use, Persons Engaged in Begging, Victims of Atrocities, Voluntary Organisations), and 'Category' (a dropdown). The main content area displays a list of categories with their respective scheme counts: Education (60 SCHEMES), Loan (11 SCHEMES), Livelihood (9 SCHEMES), Economic Development (8 SCHEMES), Housing (7 SCHEMES), and Social Empowerment (7 SCHEMES). Each category has a 'View All' link. The 'Education' category is expanded, showing two scheme cards. The first card is 'Post Matric Scholarship for Scheduled Castes', part of the 'Umbrella Scheme for Development of Scheduled Castes' by the 'Department of Social Justice & Empowerment', for 'Scheduled Castes' and 'Students'. The second card is 'SEED — Free Coaching', part of the 'Scheme for Economic Empowerment of DNTs (SEED)' by the 'Development and Welfare Board for De-notified, Nomadic and Semi-Nomadic Communities', for 'De-notified, Nomadic and Semi-Nomadic Tribes'. Both cards have a 'View Scheme' link.

Drawn in Figma, 14 September. No filter chosen; results grouped by category.

WHAT IT IS

The filters sit in a panel on the left. Schemes are grouped under headings for the kind of support they give.

HOW IT WORKS

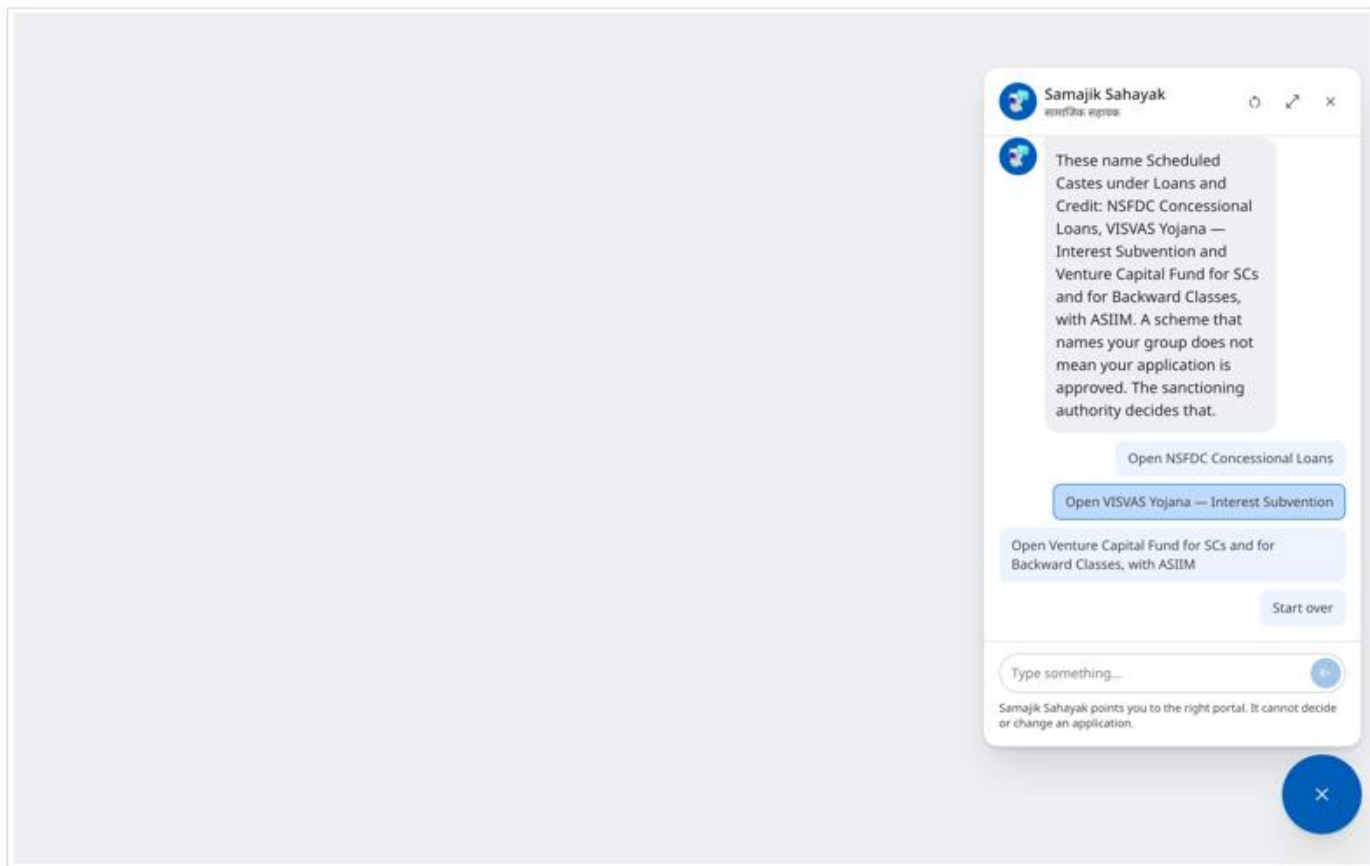

- Choose Schemes or Services first, then a group, then a category
- Each heading opens to show its schemes, with a link to the rest
- Each card names the organisation or portal that runs the scheme

WHY IT HELPS

- A visitor sees every kind of support before reading a single scheme
- The organisation filter uses the same name as the menu

The Assistant · Samajik Sahayak

THE CHAT IS ON THE SITE · THE TWO QUESTIONS ARE NEW

Recorded: the assistant opened from an ordinary page. Scheduled Castes, then Loans and Credit.

WHAT IT IS

The chat button in the corner of every page asks the same two questions, one at a time.

HOW IT WORKS

- Pick your group, then the kind of support
- The reply names the schemes and offers to open each one
- It reads the same list as the home page, so the answers always match

WHY IT HELPS

- Reachable from every page, even one that leads nowhere else
- One question per screen suits a phone
