Figma frame ↗ Live page ↗

1 Sidebar navigation — inactive item colour fails AA contrast

SCOPE: GLOBAL

Blocker

NMB-GLOBAL-001

Responsive & A11y · Global — applies to every screen with this element

DESIGN — FIGMA INTENT

Inactive nav items are Neutral/Source #1f2937 on white (15.9:1). The active item is Primary/Source #003366.

BUILD — LIVE

Inactive nav items compute to #9ca3af on #ffffff — a contrast ratio of 2.54:1, below the WCAG 2.1 AA minimum of 4.5:1 for body text. Measured on 488 nav links across every authenticated screen; opacity is 1 and pointer-events are auto, so this is the intended resting style, not a disabled state.

FIX

Set inactive sidebar links to Neutral/Source #1f2937 (or Neutral/600 #4b5563 at minimum, 7.0:1). Reserve #9ca3af for genuinely disabled items, which must also carry aria-disabled.

GIGW masthead accessibility toolset reduced and relocated to a floating widget

[Figma frame](#) [Live page](#)

1 GIGW masthead accessibility toolset reduced and relocated to a floating widget

SCOPE: GLOBAL

Blocker

NMB-GLOBAL-002

Responsive & A11y · **Global** — applies to every screen with this element

DESIGN — FIGMA INTENT

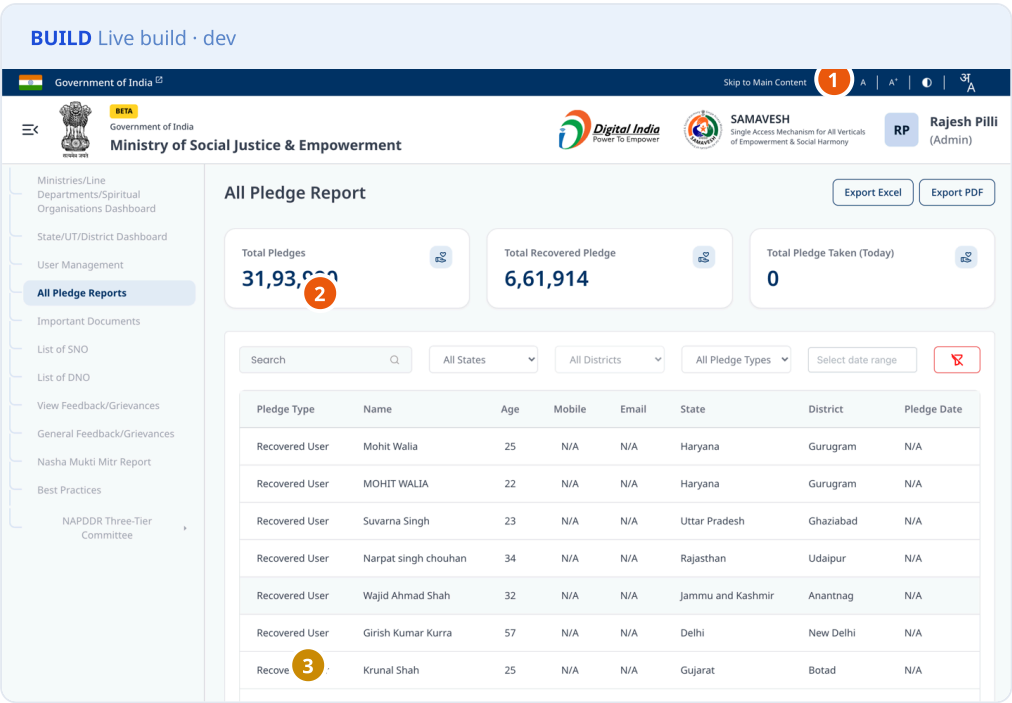

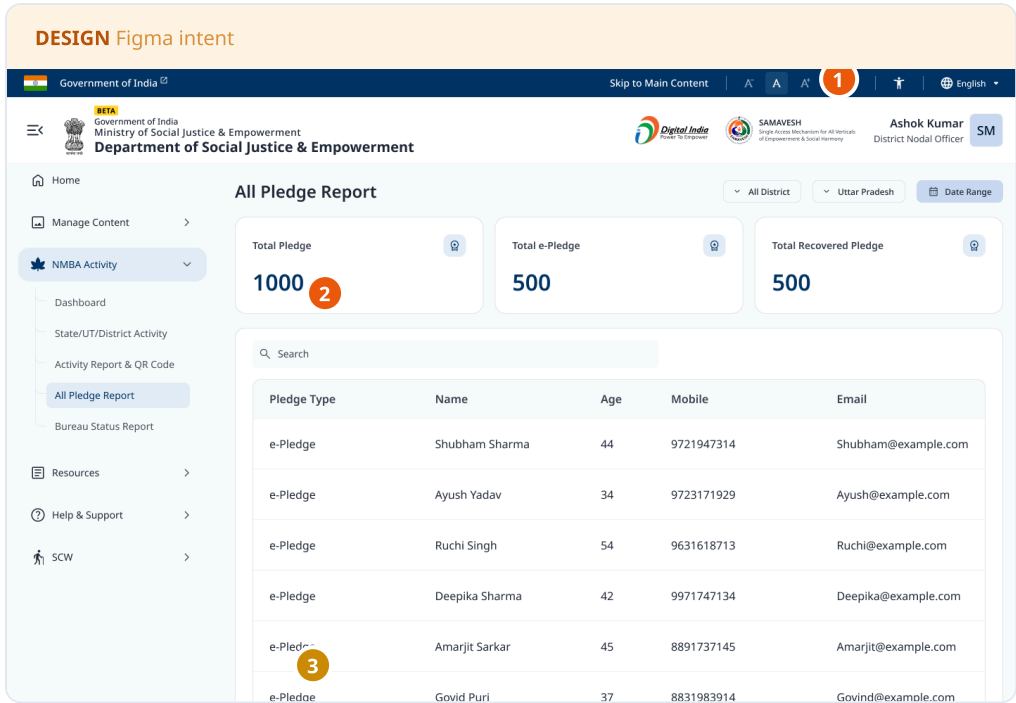

The government masthead carries the mandated inline toolset: A- / A / A+ text sizing, a contrast toggle, an accessibility (person) icon, and a labelled 'English ▾' language selector with a globe icon.

FIX

Restore the full inline toolset in the masthead per GIGW, and trigger the accessibility panel from the masthead's accessibility icon rather than a floating button. Give the language selector a visible label.

BUILD — LIVE

The masthead keeps A- / A / A+ and the contrast toggle but drops the accessibility icon, and the language selector is reduced to an unlabelled glyph. The accessibility options are moved into a floating circular widget pinned bottom-right (#9161ff, radius 70px).

1 Filter controls built as rectangular selects instead of the designed filter pills

Major

NMB-PLEDGE-001

Components & States

DESIGN — FIGMA INTENT

Filters are pill-shaped buttons with a leading chevron and a rounded 8px radius — 'All District ▾', 'Uttar Pradesh ▾' and a 'Date Range' button with a calendar icon.

BUILD — LIVE

Filters render as rectangular native-style select boxes plus a separate date-range input, in a different control family from the design.

FIX

Rebuild the filter row with the designed pill control (8px radius, chevron affordance, Noto Sans 14px) so filters read as one component family across list screens.

2 Danger red used for the non-destructive Clear-Filters control

Major

NMB-PLEDGE-002

Color & Token

DESIGN — FIGMA INTENT

No danger-coloured control appears in the filter row; clearing filters is a neutral, low-emphasis action.

BUILD — LIVE

The clear-filters control is rendered in Danger red (#d64539 family, 50 elements across 5 screens), which signals a destructive action to the user.

FIX

Restyle clear-filters as a neutral tertiary control; reserve Danger/Source for genuinely destructive actions such as delete.

3 Pagination loses its previous/next affordance

Minor

NMB-PLEDGE-003

Components & States

DESIGN — FIGMA INTENT

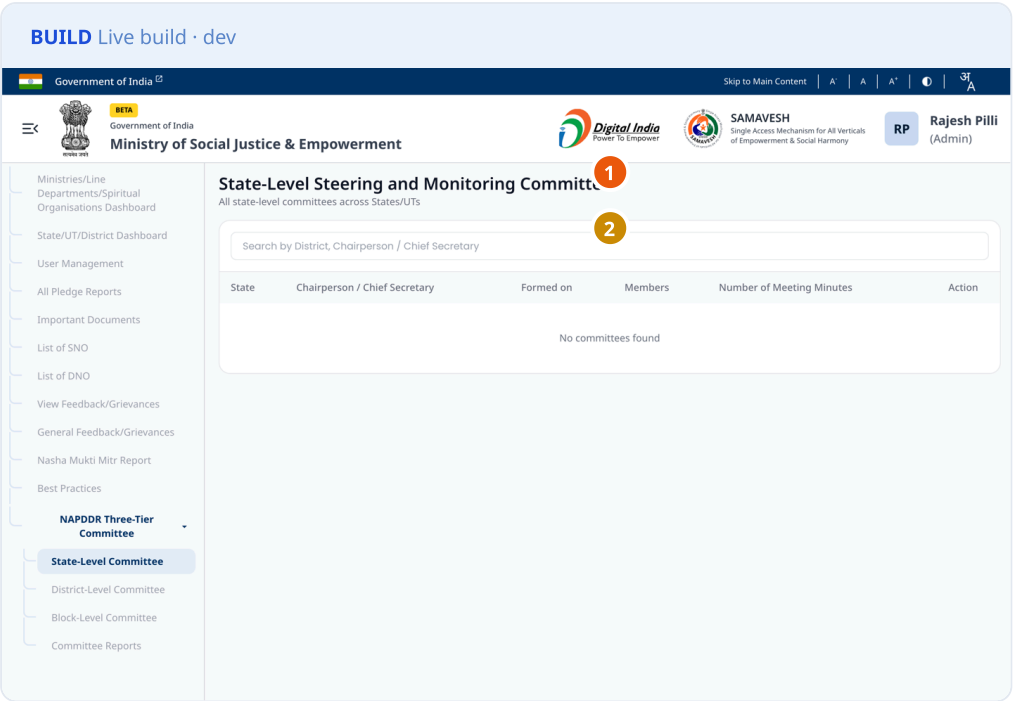

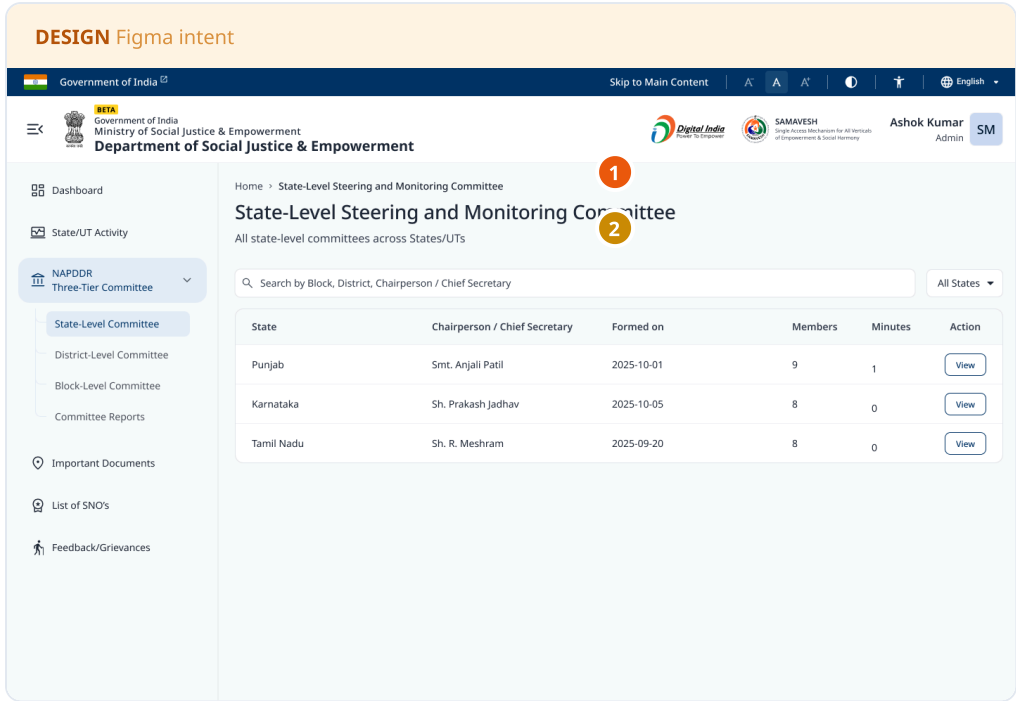

Pagination reads '< 1 2 3 4 5 6 ... 150 >' with chevron previous and next controls at each end.

BUILD — LIVE

Pagination renders '1 2 3 ... 3,19,399 +' — the chevrons are replaced by a '+' glyph and there is no previous control.

FIX

Restore the chevron previous/next controls and the truncated page range per the design.

1 Breadcrumb trail not rendered

Major

NMB-NAPDDR-001

Components & States

DESIGN — FIGMA INTENT

A breadcrumb sits above the page title: 'Home > State-Level Steering and Monitoring Committee', with the trailing crumb in Primary/Source.

BUILD — LIVE

No breadcrumb is rendered; the page title is the first element in the content column.

FIX

Add the breadcrumb above the page title on the committee screens, matching the design's separator and active-crumb colour.

2 'All States' filter missing beside the search field

Minor

NMB-NAPDDR-002

Components & States

DESIGN — FIGMA INTENT

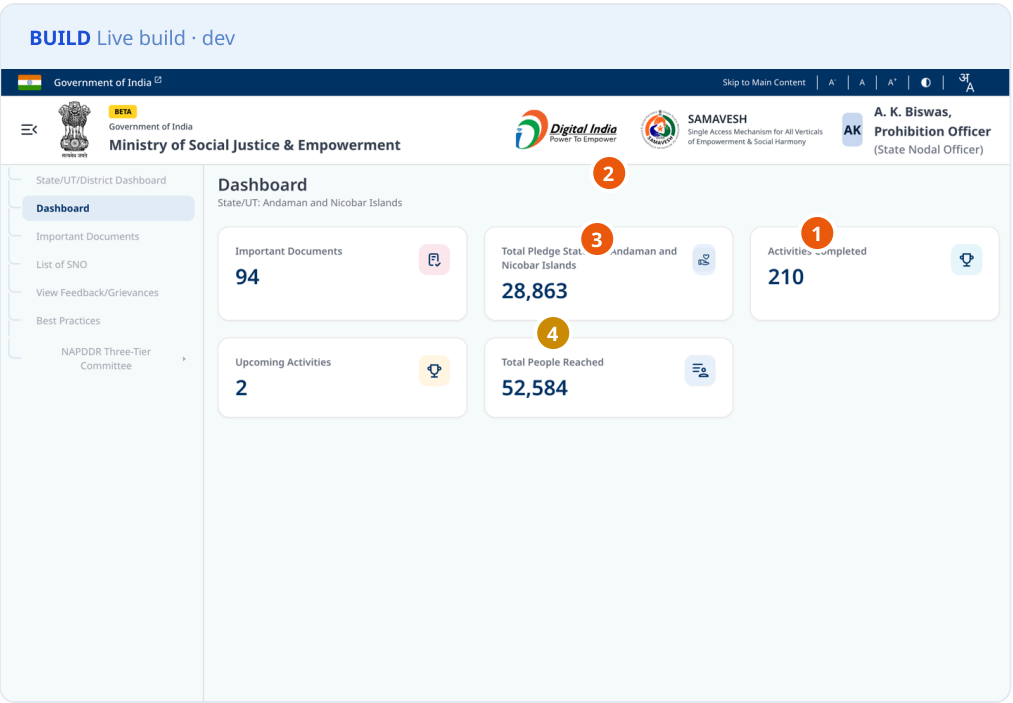

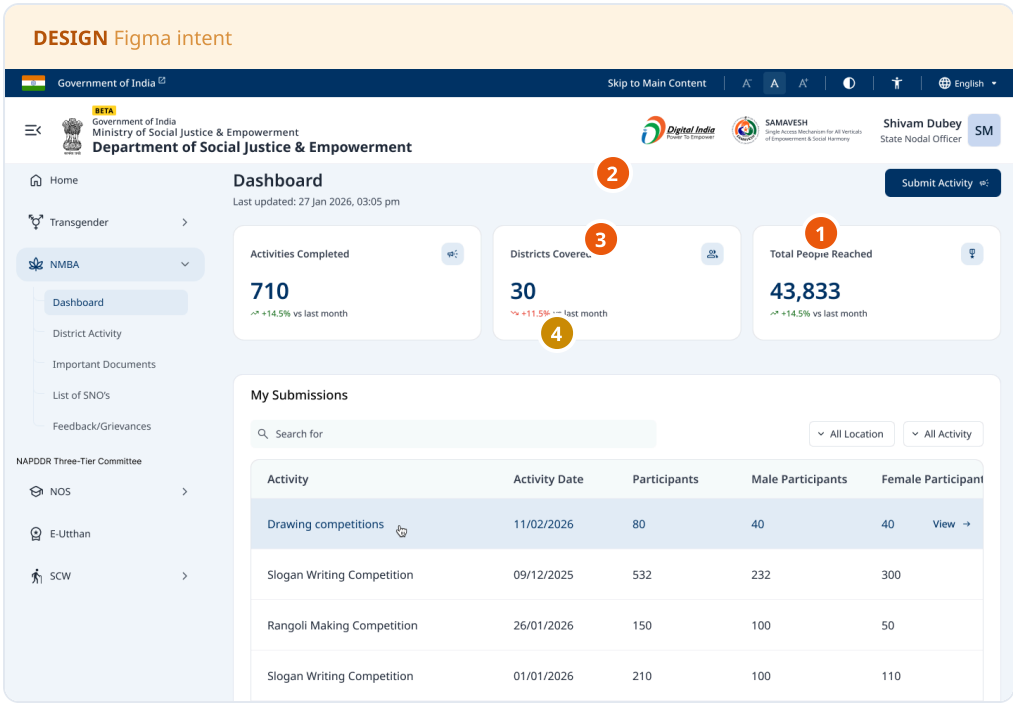

The toolbar row carries the search field plus an 'All States ▾' filter control aligned right.

BUILD — LIVE

Only the search field is rendered; the filter control is absent, so the list cannot be narrowed by state.

FIX

Show all the relevant filters — add the States filter to the toolbar row per the design.

1 'My Submissions' table section not built on the dashboard

Major

NMB-SNODASH-001

Components & States

DESIGN — FIGMA INTENT

Below the KPI row the dashboard carries a full 'My Submissions' panel — search field, All Location and All Activity filter pills, a six-column table (Activity, Activity Date, Participants, Male, Female, View) and pagination showing 5 of 1500 items.

BUILD — LIVE

The dashboard ends after the KPI cards; no submissions panel is rendered. The equivalent list exists on a separate route (State/UT/District Dashboard).

FIX

Add the My Submissions panel to the dashboard per the design, or confirm the decision to move it to State/UT/District Activity and update the design.

2 Primary 'Submit Activity' action absent from the dashboard header

Major

NMB-SNODASH-002

Components & States

DESIGN — FIGMA INTENT

A navy primary button 'Submit Activity' sits top-right, aligned with the page title.

BUILD — LIVE

No primary action is rendered in the dashboard header; the page title row is empty on the right.

FIX

Add the primary 'Submit Activity' button to the dashboard header, or confirm the action now lives only on State/UT/District Activity.

3 KPI cards lost their trend indicator

Major

NMB-SNODASH-003

Components & States

DESIGN — FIGMA INTENT

Each KPI card carries a value and a trend line beneath it — an up/down arrow with '+14.5% vs last month' in Success or Danger.

BUILD — LIVE

KPI cards render the label, icon and value only; no trend line appears on any card.

FIX

Restore the trend row on each KPI card using Text/Success #2e7d32 and Text/Error #ec5042 for positive and negative deltas.

4 KPI grid reflows to unequal card widths

Minor

NMB-SNODASH-004

Layout & Spacing

DESIGN — FIGMA INTENT

Three equal-width KPI cards in a single row, with equal gaps.

BUILD — LIVE

Five cards wrap across two rows (3 + 2) and the cards do not share a common width — the second card in row one is visibly wider than its neighbours.

FIX

Lay the KPI row out on a uniform grid so every card shares one column width and the last row aligns to the same tracks.

Sidebar navigation icons absent portal-wide

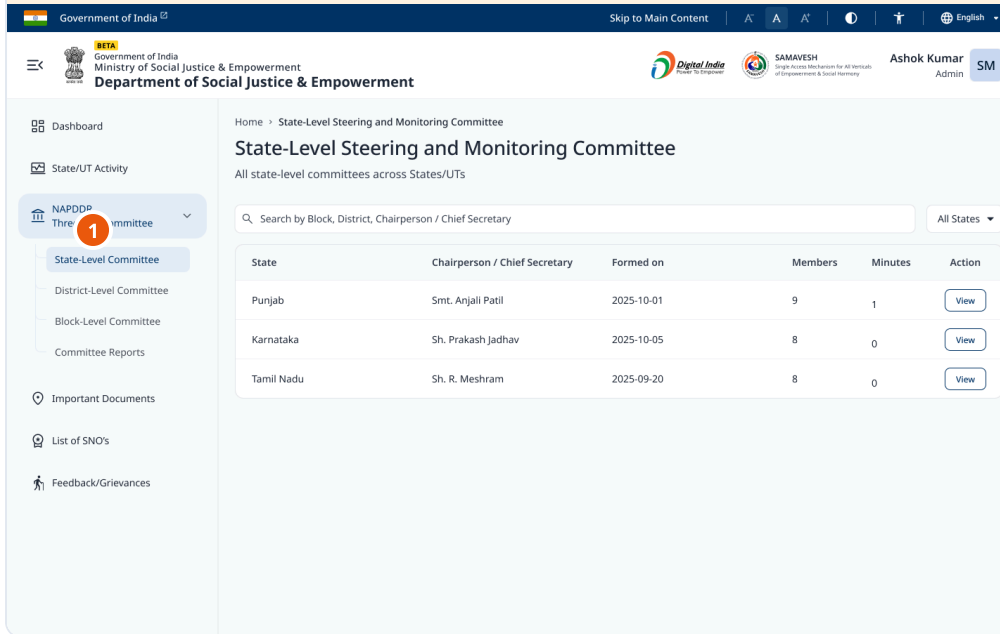

1 Major

⚠ Applies to every screen that renders this element. Shown against Admin — NAPDDR State-Level Committee as a representative frame.

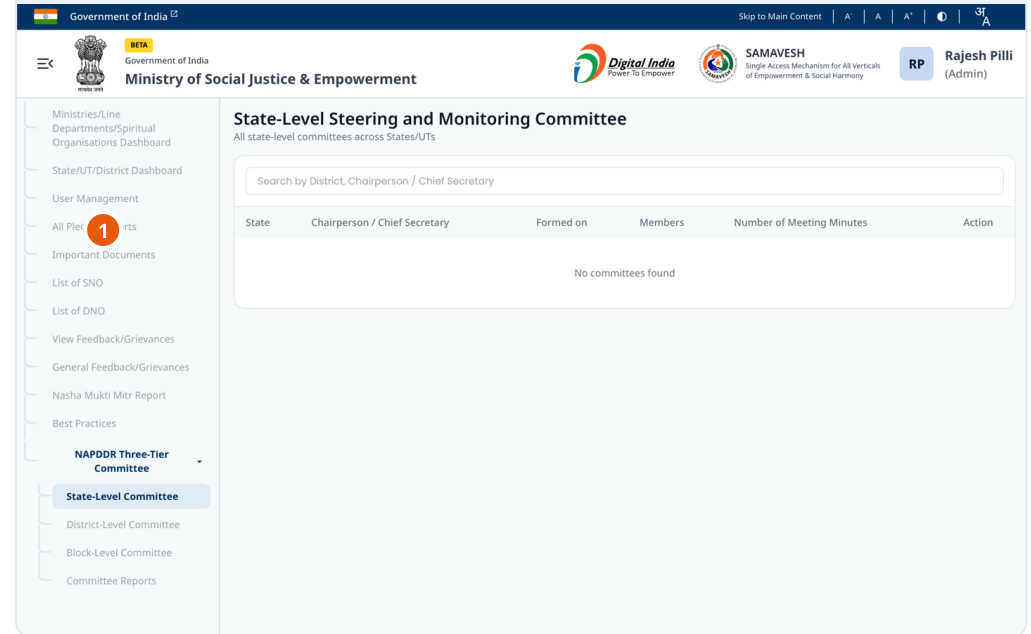

Sidebar navigation icons absent portal-wide · full-page

DESIGN Figma intent

BUILD Live build · dev

NMBA — Nasha Mukti Bharat Abhiyaan (DEV) — Design QC · 2026-07-27

[Figma frame](#) [Live page](#)

1 Sidebar navigation icons absent portal-wide

SCOPE: GLOBAL

Major

NMB-GLOBAL-003

Content & Iconography · **Global** — applies to every screen with this element

DESIGN — FIGMA INTENT

Every sidebar item is preceded by a Material Symbols Rounded icon at 24px, weight Light, Primary/Source #003366 (e.g. account_balance on the NAPDDR group).

BUILD — LIVE

No icon is rendered against any sidebar item; items are text-only with a tree-line connector. The extraction finds zero Material Symbols elements anywhere in the build.

FIX

Render the Material Symbols Rounded icon for each nav item at 24px / weight 300-Light, and load the icon font once in the root layout.

Page title (H1) is off the type scale and inconsistent between screens

NMBA — Nasha Mukht Bharat Abhiyaan (DEV) — Design QC · 2026-07-27

[Figma frame](#) [Live page](#)

1 Page title (H1) is off the type scale and inconsistent between screens

SCOPE: GLOBAL

Major

NMB-GLOBAL-004

Typography · **Global** — applies to every screen with this element

DESIGN — FIGMA INTENT

One page-title role: Headline/headline-3 — 24px, SemiBold (600), Neutral/Source #1f2937. The NAPDDR screens use Display/display-5 — 28px, Medium.

BUILD — LIVE

Four different treatments across the build: 24px/600/#111827, 24px/700/#374151, 24px/600/#1f2937 and 32px/600/#374151. Neither #111827 nor #374151 is a token in the NMBA palette.

FIX

Bind every page title to one token — font-size 24px, weight 600, colour #1f2937 — and use 28px Medium only where the design specifies Display/display-5.

Non-brand typefaces rendering instead of Noto Sans

NMBA — Nasha Mukh Bharat Abhiyaan (DEV) — Design QC · 2026-07-27

[Figma frame](#) [Live page](#)

1 Non-brand typefaces rendering instead of Noto Sans

SCOPE: GLOBAL

Major

NMB-GLOBAL-005

Typography · **Global** — applies to every screen with this element

DESIGN — FIGMA INTENT

font-family/body and font-family/heading are both Noto Sans — the mandated DBIM typeface for all government properties.

BUILD — LIVE

Poppins renders on 63 elements across 23 screens (search fields and filter controls), - apple-system on 25 elements across 9 screens, and Lucida Console on 8 across 3.

FIX

Remove the Poppins and system-font declarations so every control inherits Noto Sans; confirm the Noto Sans webfont is preloaded so no fallback is ever painted.

Government masthead lockup drops its third line and inverts the emphasis

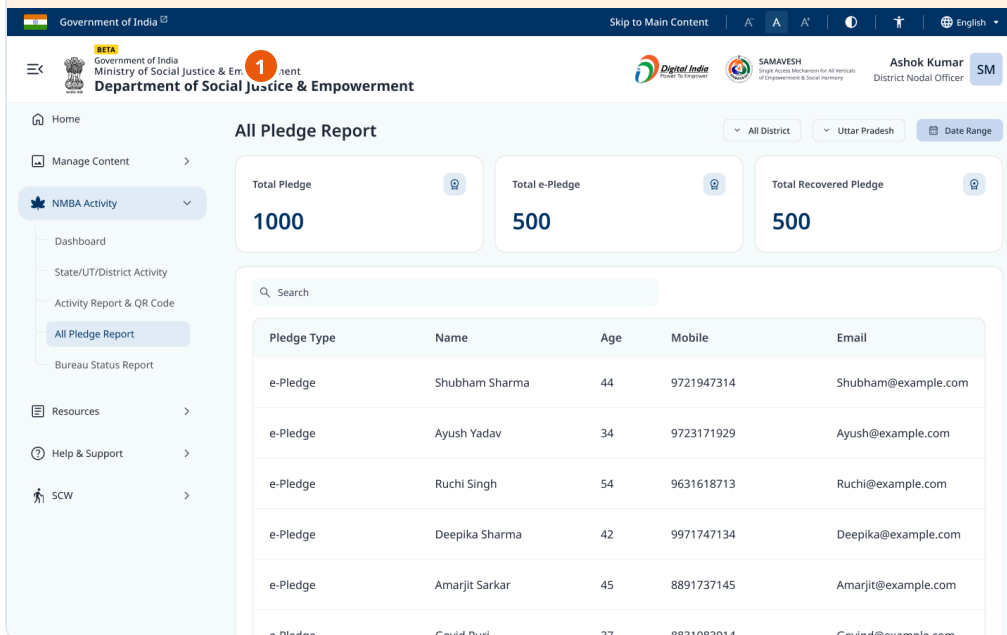

1 Major

⚠ Applies to every screen that renders this element. Shown against Admin — All Pledge Report as a representative frame.

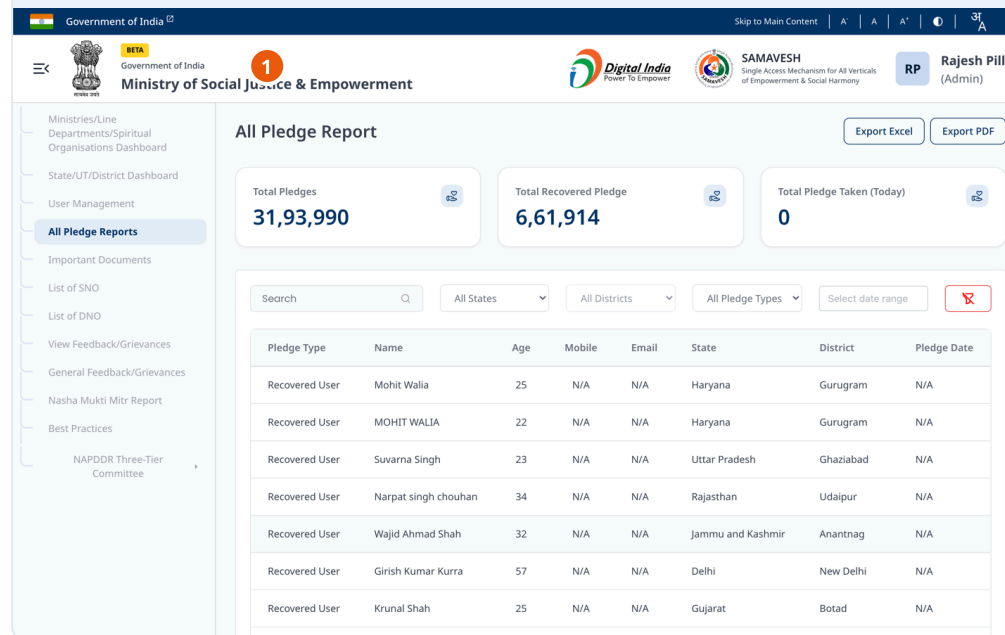

Government masthead lockup drops its third line and inverts the emphasis · full-page

NMBA — Nasha Mukh Bharat Abhiyaan (DEV) — Design QC · 2026-07-27

[Figma frame](#) [Live page](#)

1 Government masthead lockup drops its third line and inverts the emphasis

SCOPE: GLOBAL

Major

NMB-GLOBAL-006

Content & Iconography · **Global** — applies to every screen with this element

DESIGN — FIGMA INTENT

A three-line lockup beside the National Emblem: 'Government of India' (12px), 'Ministry of Social Justice & Empowerment' (12px), then 'Department of Social Justice & Empowerment' as the emphasised bold navy line.

BUILD — LIVE

A two-line lockup: 'Government of India' (12px) then 'Ministry of Social Justice & Empowerment' set as the emphasised line at 20px/700/#374151. The Department line is absent and the emblem is rendered noticeably larger.

FIX

Restore the three-line lockup with the Department name as the emphasised line, and match the emblem size and baseline alignment to the design.

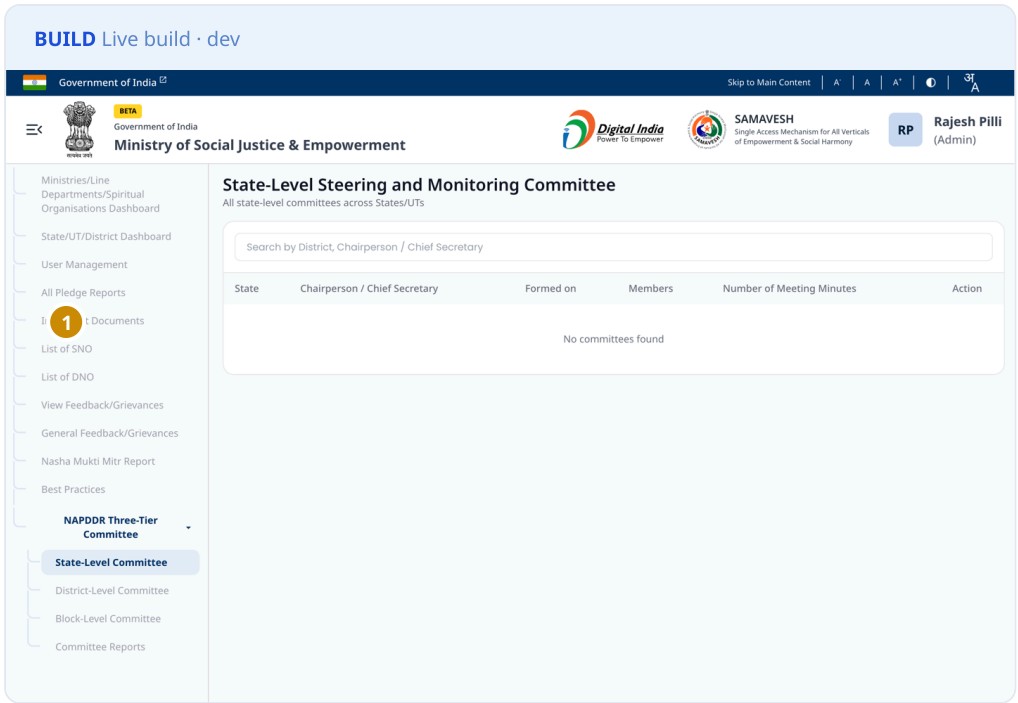

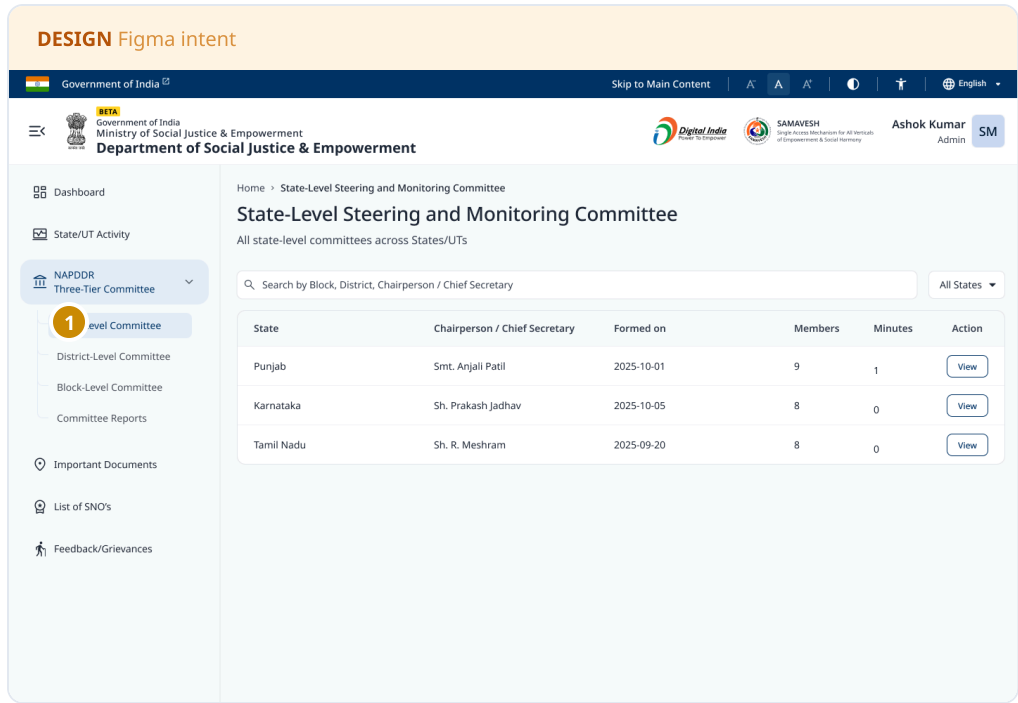

Sidebar navigation label size larger than the design

1 Minor

⚠ Applies to every screen that renders this element. Shown against Admin — NAPDDR State-Level Committee as a representative frame.

Sidebar navigation label size larger than the design · full-page

NMB-GLOBAL-007

NMBA — Nasha Mukti Bharat Abhiyaan (DEV) — Design QC · 2026-07-27

[Figma frame](#) [Live page](#)

1 Sidebar navigation label size larger than the design

SCOPE: GLOBAL

Minor

NMB-GLOBAL-007

Typography · **Global** — applies to every screen with this element

DESIGN — FIGMA INTENT

Nav labels are Label/label-1 — 14px, Regular.

BUILD — LIVE

Nav labels compute to 16px, weight 400 (488 elements), and the active item is weight 700 where the design distinguishes the active state by colour alone.

FIX

Set sidebar labels to 14px Regular; express the active state with Primary/Source #003366 and the selected background, not a weight jump to 700.

Corner-radius drift across buttons and controls

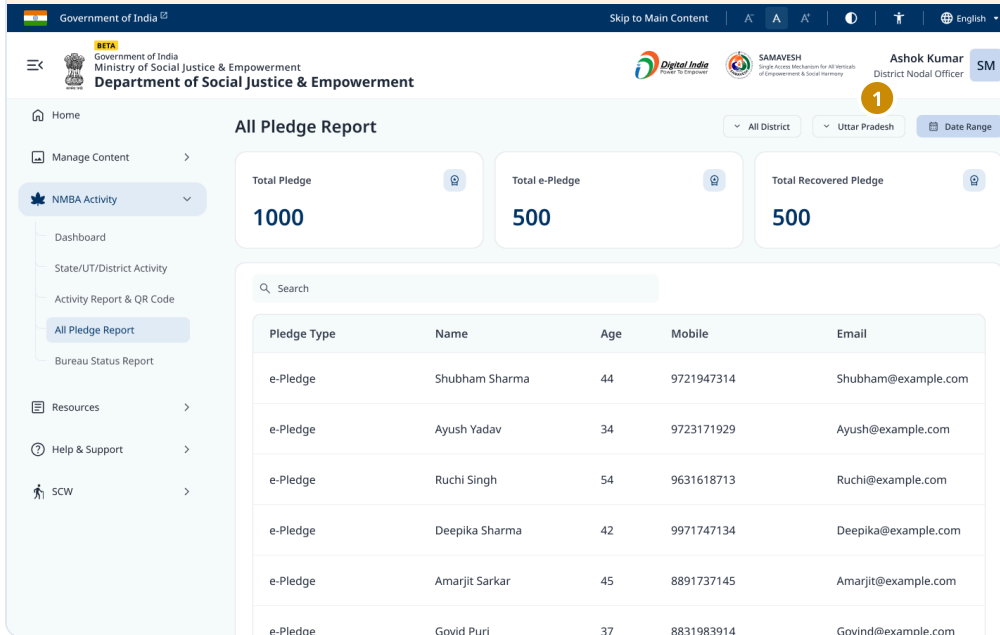

1 Minor

⚠ Applies to every screen that renders this element. Shown against Admin — All Pledge Report as a representative frame.

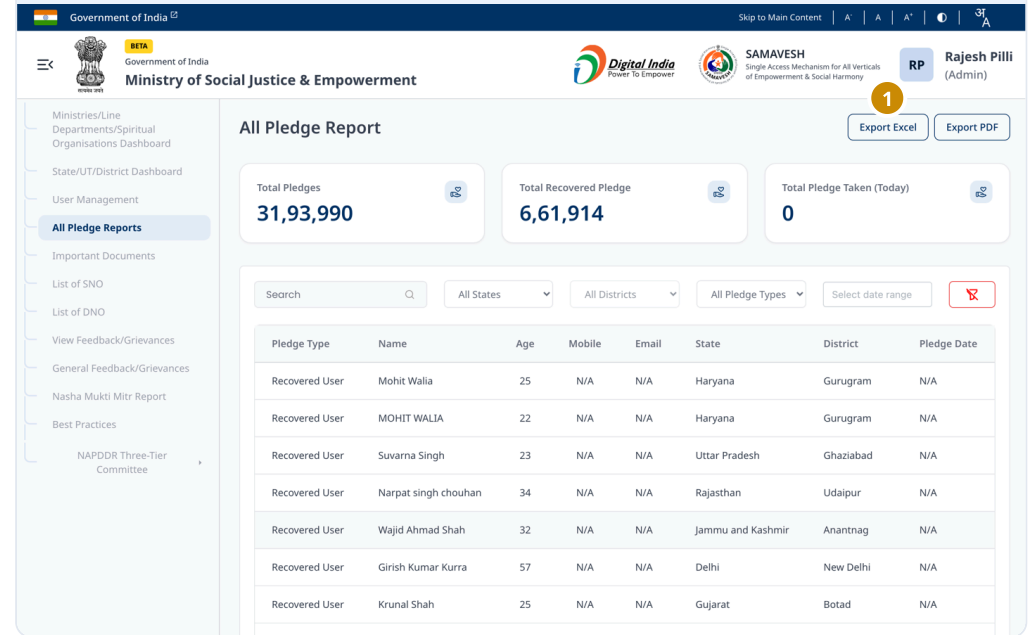

Corner-radius drift across buttons and controls · full-page

NMB-GLOBAL-008

DESIGN Figma intent

BUILD Live build · dev

NMBA — Nasha Mukht Bharat Abhiyaan (DEV) — Design QC · 2026-07-27

[Figma frame](#) [Live page](#)

1 Corner-radius drift across buttons and controls

SCOPE: GLOBAL

Minor

NMB-GLOBAL-008

Layout & Spacing · **Global** — applies to every screen with this element

DESIGN — FIGMA INTENT

button-corner = 8px; the radius ramp is 2 / 4 / 6 / 8 / 12 / 16 / 20 / 24 / 999.

BUILD — LIVE

Alongside the 8px token (1,745 controls) the build also renders radius 12 (924), 0 (839), 10 (47), 6 (11) and 70 (66). Radius 10 alone appears on 310 elements across all 36 screens; 10 and 70 are not on the ramp at all.

FIX

Bind control radii to the token ramp — 8px for buttons and inputs, 12px for cards — and replace the 10px and 70px values with radius-md/radius-lg or radius-full.

Off-token neutral greys, including pure black

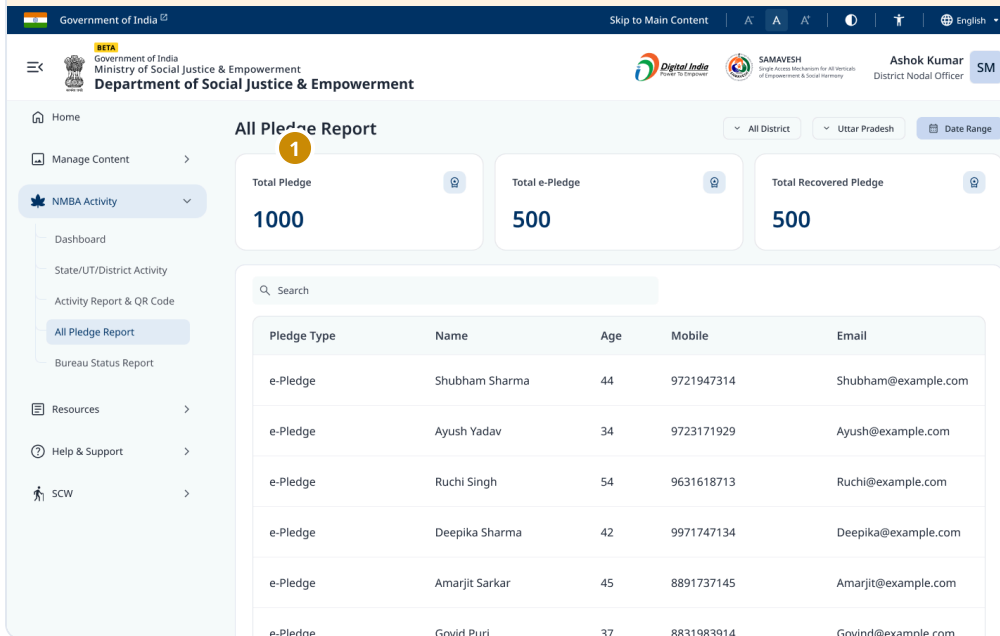

1 Minor

⚠ Applies to every screen that renders this element. Shown against Admin — All Pledge Report as a representative frame.

[Figma frame](#) [Live page](#)

1 Off-token neutral greys, including pure black

SCOPE: GLOBAL

Minor

NMB-GLOBAL-009

Color & Token · **Global** — applies to every screen with this element

DESIGN — FIGMA INTENT

The neutral ramp is #f9afb6 / #f3f4f6 / #e5e7eb / #d1d5db / #6b7280 / #4b5563 / #374151 / #1f2937. Pure black is not in the palette.

BUILD — LIVE

#000000 renders on 696 elements across all 36 screens and #9ca3af on 635. #212121 appears on 612 (accessibility-bar chrome).

FIX

Replace #000000 with Neutral/Source #1f2937 and #9ca3af with Neutral/500 #6b7280, and bring the accessibility-bar chrome onto the neutral ramp.

Table column headers use two different weights

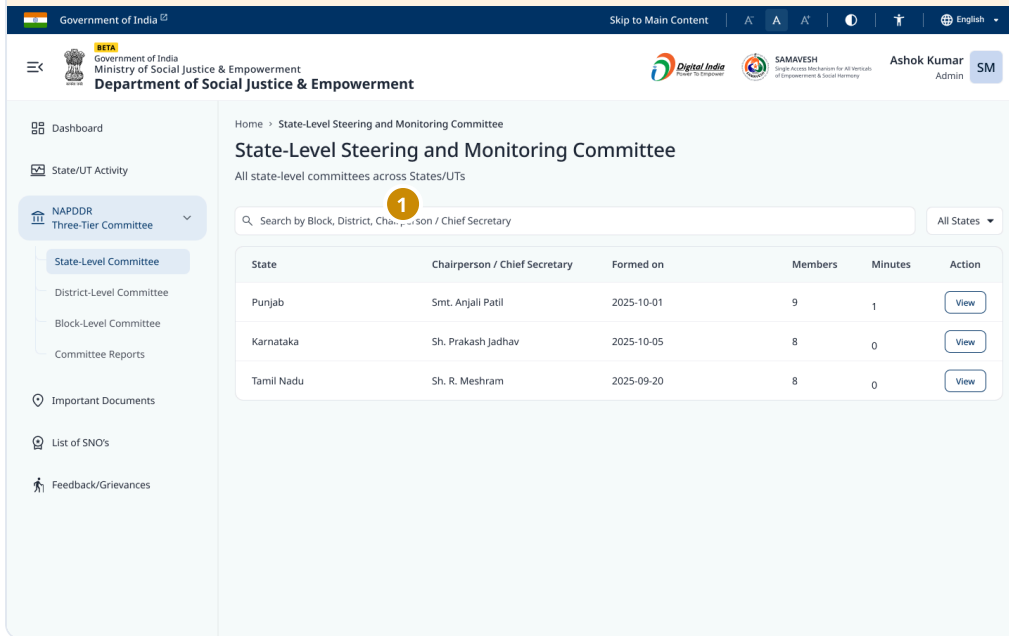

1 Minor

⚠ Applies to every screen that renders this element. Shown against Admin — NAPDDR State-Level Committee as a representative frame.

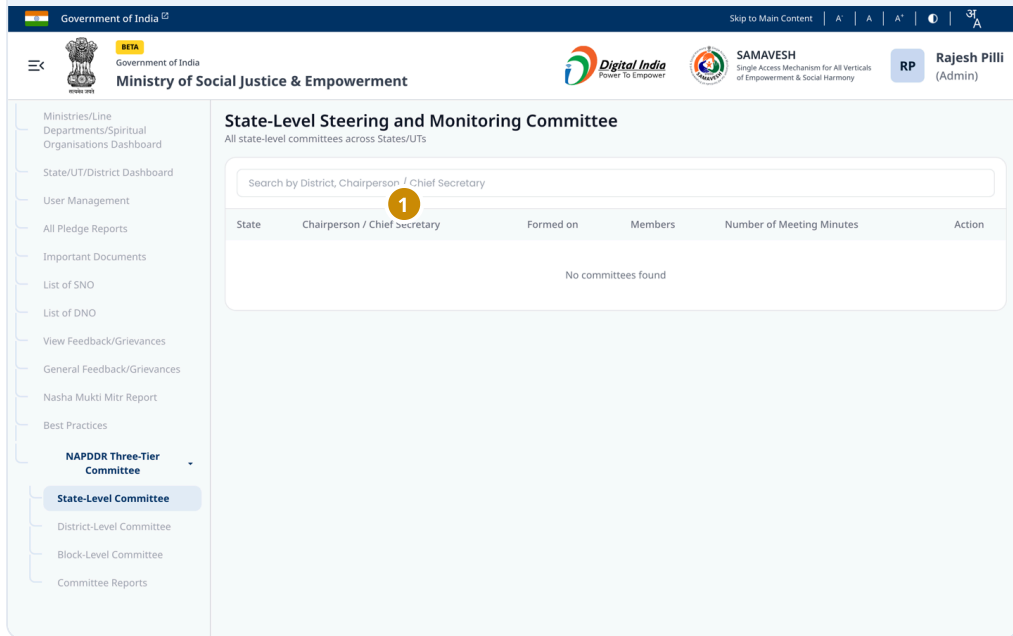

Table column headers use two different weights · full-page

500 Pledges Taken Today

Nasha Mukta Bharat Abhiyaan Pledge

English हिंदी

Dear friends,

Youth is the energy of any nation and the power of youth has an important contribution in the development of society and country. Therefore, it is very important that maximum number of youth join the drug free India campaign. Accepting this challenge of the country, today we unite under the Nasha Mukta Bharat Abhiyan and take a pledge that not only the community, family, friends, but also ourselves will be drug free because change should start with ourselves. So let us all together take a firm decision to make our district/state.....(name) drug-free. I pledge that I will do everything possible to the best of my ability to make my country drug-free.

Jai Hind!

NMBA — Nasha Mukht Bharat Abhiyaan (DEV) — Design QC · 2026-07-27

Figma frame ↗ Live page ↗

Deferred — by decision

6 Parked

NMB-SCOPE-001 Patient Data Monitoring System (IRCA / ODIC / CPLI / PDMS-Admin) — 88 design frames

Designed module with no corresponding routes on the dev build.

NMB-SCOPE-002 18 August National Pledge Against Drug Abuse Report — 39 design frames

Designed reporting flow (Block / District / State / Line Ministries / Spiritual Orgs / HEI / GIA); not built on this environment.

NMB-SCOPE-003 MV / Institutions role — 11 design frames

No login was supplied for this role, so the build could not be captured.

NMB-SCOPE-004 e-Pledge OTP + certificate states

OTP-gated. Per audit policy a real OTP is never fired on dev; the form was filled with dummy data and captured up to the OTP wall.

NMB-SCOPE-005 Citizen Helpline screen

Designed (National De-Addiction Helpline 14446 + call statistics); no /helpline route exists on the build.

NMB-SCOPE-006 Row-level detail views and committee record states

The dev database has no seeded committee records ('No committees found'), so row chips, badges and detail drawers cannot be exercised.
