

Return Memo

What this is

A placeholder for the return memo PFMS hosts when it sends a bill back. In the live system, e-Anudaan opens PFMS's own memo through a link NeGD configures. That link is not yet supplied.

Returned By	Pay & Accounts Office
Bill Type	RPR-34 Grants-in-Aid Bill
Reason	As recorded against the bill in e-Anudaan's Return Order.
Next Step	Returned without cancelling: the Maker corrects and resubmits (Bill Status R). Returned and cancelled: the Maker starts a fresh payment advice.
