

Sample User Manual

Illustrative manual for a departmental system

1. Before you begin

A **sample** user manual, generated for the SAMAVESH prototype. It documents no system and its steps lead nowhere.

2. Steps

- Placeholder step. A real manual would name the screen and the field.
- Placeholder step.
- Placeholder step.

3. If something goes wrong

Helpdesk	011-99999999 (not a working number)
Hours	Placeholder
